Attendance Code Categories

Code	Name	Description	Sort
EXC	Excused		1 <input type="button" value="v"/>
TDY	Tardy		2 <input type="button" value="v"/>
UNX	Unexcused		3 <input type="button" value="v"/>

Pearson indicates that these codes should never be changed. We checked the quick lookup screen for a student with tardies marked in attendance, and they do not show up.

The codes for the Excused, Unexcused, and Tardy Attendance Code Categories at all of your buildings need to be changed back to match their description so that the attendance will display and print on reports properly.

It is only for these 3 Attendance Categories, as they are the default PowerSchool categories. If you have added any categories, you can use any abbreviation for them.
