Filter changes to green if set ▼

Undo and Redo buttons will work while in the screen. Once you refresh the page or navigate to another page, actions cannot be undone or redone. If you delete a section with undo, the enrollment records are also deleted, if you redo the enrollment records will not return.

Zoom In or Zoom Out

Select this arrow to expand the Seats Available Chart.

Visual Scheduler features may display better when accessing through Mozilla Firefox instead of Internet Explorer

Use these arrow icons to expand the screen up and to the left.

Departments are listed on the top row. Teachers are listed on the second row.

Course Requests in Common

Physics SCI2200 (180 course requests)

This shows the courses and the number of course requests in common with the selected course.

Course Name	Number
Drawing and Design (ART1100)	51
Swimming (PE1200)	1

▼ Hide Multiple Courses with Requests in Common

Creative Writing (ENG3100)	186
Calculus (MAT2100)	179
Computer OS (CS3000)	179
Current Affairs (SOC2000)	179
Health 12 (HE12)	179

Click on the graph icon ▦ in the lower left corner of the tile to display the Course Requests in Common screen. Click arrow ▶ to display **all** course requests in common.

When you click on a Course, all the sections of that Course hilite. If the sections are not visible, a **yellow line** will appear on the side of the screen.
