**Step 3**. When the page opens in the - **Which students to include** - choose the selected 15 students

Note: By choosing the option above you will only be searching the 15 students on the team and not your entire student list

	Search By	Grades/Attendance
	Which students to include	The selected 15 students     All 619 currently enrolled students
-	Term	08-09 Semester 1
	Minimum # of classes needed to meet search criteria	0
	Scan for this final grade (comma separated)	Any = 🔻
	Scan for this final grade percentage	
	Scan for this citizenship grade (comma separated)	Any = 🔻
_		

Step 4. Fill in the Minimum # of classes needed to meet search criteria Note: this is the number of failing grades needed to declare a student ineligible to participate in the sport

Search By (	Grades/Attendance
Which students to include	The selected 15 students     All 619 currently enrolled students
Term	08-09 Semester 1
Minimum # of classes needed to meet search criteria	٥
Scan for this final grade (comma separated)	
Scan for this final grade percentage	
Scan for this citizenship grade (comma separated)	Any = T
	Scan this attendance mode Meeting

Step 5. Next in the Scan for this final grade you will need to check the box and fill in the grades that will make the student ineligible to participate in the activity Note: the grades must be comma separated with no spaces

Search By	Grades/Attendance
Which students to include	The selected 15 students     All 619 currently enrolled students
